

Checklist jobsearch

Questions job seekers should ask themselves

- What interests me?
- Where do I find pleasure in my day-to-day activities?
- What are my strengths?
- What are my weaknesses?
- What professions exist that I have not been aware of up to now?
- Which career profiles match my skill set?
- What basic criteria (salary, location, working hours, etc.) should my job offer me?
- Which careers have prospects and a future?
- Which companies and products can I identify with?
